

MBARARA UNIVERSITY OF SCIENCE AND TECHNOLOGY

Application portal guide

Step 1 A) Things you need

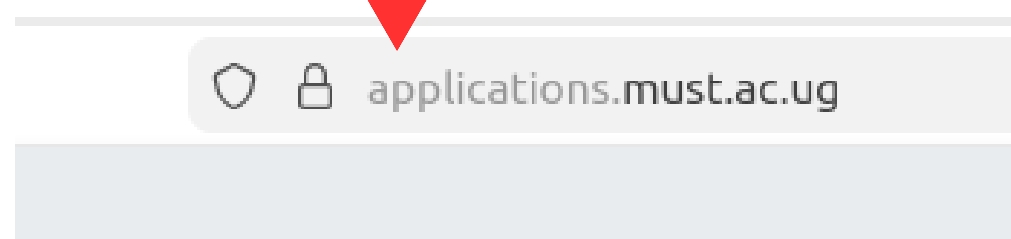

- An email address and contact number
- You academic Documents to pick Key detail like award institution, index number for o and a level, year of award or sitting etc.
- Internet Connection

B) How to Do it

Step 1: Accessing the Application Portal Link

Access The online application link as listed in the advert. Ensure that the page is secure before you continue.

NOTE: There might be other websites masquerading as the application portal. Only access the link advertised by the university

Step 2: Signup

- Signup by clicking the orange signup button at the bottom of the page. If you cannot see the button, your browser could be having a zoom in setting. Zoom out holding down the “CTRL” button and pressing “+” button on PC and “CMD” and “+” on Mac

A temporary password (six-digit number) will be sent to Your mobile number and your email address

NOTE: Sometimes depending your Mobile Telecom service provider, the message may delay or not be delivered. In this case, don't panic, simply check your email. The same information is sent to your email as well.

Login using this password and your email address

- After Logging in, you will be prompted to change the password to the one you can remember. Password should have at least a length of six Characters
- The system will take you back to the login prompt to now login with your new password
